

Product Line Card

Hospesco Brands Group offers a broad integrated portfolio of essential products your customers need to care for, clean, and protect shared spaces — available directly from a single manufacturer.

Wiping Solutions

Wiping solutions are essential for maintaining cleanliness across surfaces and equipment, as well as efficiently addressing spills. Hospesco Brands Group provides a diverse array of wiping solutions tailored for every industry, including non-woven wipers, pre-saturated wipes, wipe dispensers, rags, microfiber, ergonomic surface cleaning systems and more. We pride ourselves on offering one of the most extensive lines of non-woven wiping solutions in the industry, catering to both general and application-specific needs. Our innovative range of wiper products ensures that customers benefit from the lowest cost-in-use for all-purpose wiping applications, making cleanliness both effective and economical.

Gloves

Our comprehensive line of disposable gloves includes nitrile, latex, vinyl, and other options tailored to meet the personal care and facility maintenance needs of diverse industries, including food service, body art studios, and controlled environments. Our premium gloves come in a variety of colors and thicknesses, providing enhanced protection while ensuring the highest standards of hygiene and safety. Additionally, we offer a wide selection of specialty gloves, including flock-lined, coated, cut-resistant, mechanic, and work gloves, catering to every requirement with unparalleled quality and performance.

Cleaning Chemicals

Explore exceptional cleaning solutions from Hospesco Brands Group, featuring a wide range of products such as floor care products, disinfectant cleaners, sanitizer tablets, and more. Ideal for commercial kitchens, restrooms, office buildings, institutions, industrial facilities, and laundry areas, our offerings guarantee thorough cleanliness and safety. Trust our specialty chemicals and multi-purpose cleaners to deliver effective results, ensuring a hygienic environment for every space.

Textiles & Linens

Hospesco Brands Group's collection of essential textiles and linens, perfect for any resort or guest facility. Our range includes luxurious hotel sheets, guest towels, resort towels, and food service linens, all designed to meet the highest standards of comfort and durability. Whether you need high-quality bed linens, beauty towels, or commercial linen supplies, we have everything you need to ensure your guests have an exceptional experience. Explore our assortment of hotel bedding, bath towels, and bulk table linens to find the perfect products for your hospitality needs.

Personal Care

At Hospesco Brands Group, we provide inclusive and hygienic solutions. Our menstrual care products range includes tampons, pads, and menstrual care dispensers that offer convenient and sanitary access to essential items. We also offer No-Touch Vending Systems, disposable personal care products, hair care, hand and body soaps, moisturizing lotions, and pre-saturated wipes. Our dispensers and toilet seat covers are designed for restroom hygiene and comfort.

Odor Control

From aerosols and dispensers to urinal screens and specialty air care, each product is designed for maximum effectiveness and ease of use. Whether for restrooms, dumpsters, or high-traffic areas, our odor control offering ensures consistent and reliable odor control, enhancing the overall cleanliness and appeal of any facility.

Controlled Environment

Successful operation of cleanrooms and other critical environments requires a range of products that meet exacting standards. Hospeco Brands Group makes it easy to stock a well-appointed cleanroom from a single source, with controlled environment solutions suitable for healthcare, industrial, electronics, pharmaceutical compounding, food processing and more. Our products are compliant with strict regulatory guidelines as required by USP <797>, USP <800> and many other regulations.

Safety

At Hospeco Brands Group, safety is our foremost priority. We provide a comprehensive selection of safety products meticulously designed to safeguard your workforce and foster a secure environment. Our extensive range includes everything from personal protective equipment (PPE) to essential site safety supplies, catering to diverse industries. By focusing on safety, hygiene, and compliance, our products help create safer workplaces, ensuring that employees can perform their duties with confidence and peace of mind.

Cleaning Tools & Accessories

Cleaning tools and their accessories comprise a diverse array of products essential for maintaining cleanliness and efficiency in any facility. The Hospeco Brands Group boasts one of the most extensive selections in this category, featuring everything from buckets and pails to scrubbing brushes, ergonomic surface cleaning systems, sponges, maids' baskets, and beyond. Our comprehensive bundles are thoughtfully designed to meet the unique requirements of facilities maintenance, hospitality, janitorial/sanitation, and industrial sectors, ensuring that every space remains pristine and operational.

Food Service

The Foodservice line features an extensive selection of cutlery products designed to elevate your foodservice and food processing offerings. Our cutlery collection includes an array of items such as forks, spoons, knives, sporks, school and food service kits, straws, and more. This diverse product range not only complements your existing offerings but also caters to the needs of various sectors, including foodservice, educational institutions, government buildings, and the hospitality industry. With our comprehensive solutions, you can ensure that every dining experience is both convenient and enjoyable.

Specialty

Discover unique products tailored for specialized situations. Our range includes everything from microfiber cloths in convenient dispenser boxes to innovative no-touch vending devices, effective smoke neutralizers, and ergonomic mops. We specialize in customization and private labeling, ensuring that you receive precisely what you need to meet your customers' demands. Let us help you enhance your offerings with solutions designed for excellence.
