Wipe Dispensing System Features + Benefits

Infection Control

Single use to prevent the risk of cross contamination and help stop the spread of illness. Eliminate the need for washcloths that may contain harmful bacteria. Only the wipe pulled is touched for ultimate hygiene.

Centralized Station

Touch Point® wall-mount, countertop, and floor stand dispensers offer easy access, reliability, and safety. Place these durable dispensers in high traffic areas to make cleaning hands and faces convenient and promote good hygiene practices.

Waste Management

Wipes are dispensed one at a time, reducing waste and overuse. These systems ensure only the necessary amount is used, minimizing environmental impact and lowering costs.
