

Microfiber Waffle Cloths

16" x 16" • 55 gram • 335 GSM

Microfiber waffle cloths feature a textured finished that is more abrasive than traditional cloths. This makes them ideal for heavier soils that still require a streak-free finish. At 16x16 and 55 grams, they have the size and weight to effectively clean in a wide range of situations.

- Lint-free cleaning
- Launder up to 500 times
- Can be used wet or dry
- Packaged by the dozen and sold 15 to the case
- Multiple colors make them usable in a color-coded cleaning system to avoid cross contamination
- Studies show that microfiber can eliminate 94% of bacteria from surfaces
