

Microfiber Wall Washing Cloth

15" x 24" • 59 gram • 255 GSM

These oversized microfiber cloths are ideal for dusting large surface areas. You can use these effective janitorial supplies to cover more square footage per wipe and still get the same level of cleaning, since microfiber holds dust and dirt so much better than traditional rags.

- Lint-free microfiber cloths can be laundered up to 500 times.
- Studies show that microfiber can eliminate 94% of bacteria from surfaces.
- Designed to work with color coding system to avoid cross contamination.
