BRANDS GROUP

OUR CORE VALUES

We take our responsibility to deliver the highest quality products and services to our healthcare partners seriously. That is why our guiding principles are always focused on our customer's achieving the best possible outcomes for their patients.

Integrity

Do the right thing. Always act in the best interests of the customer so they can achieve the best outcomes for their patients.

Service Excellence

We do our best to meet our customer's expectations by providing world class products and services that support their missions.

Consistency

Deliver best-in-class service and products to our customers each time we connect with them so they rely on us to meet their goals.

- We are passionate about our industry and our desire is to secure business in a fair and honest manner.
- We strive to put a smile on our customer's face and want them to think about our business and keep coming back for more.
- We surround ourselves with individuals who possess an intense work ethic, high moral standards, passion for their work, and a commitment to both internal and external customers.
- We conduct ourselves with the highest levels of integrity and fairness.
- We recognize the value of teamwork.

OUR MISSION

Acute Care Pharmaceuticals mission is to be recognized by healthcare providers nationwide as an economical, one-stop medical products sourcing company that delivers exceptional products and services to its customers.

OUR HISTORY

Acute Care was founded in 1998 and was acquired by HOSPECO® in 2019, helping to motivate the consolidation and creation of what became the Hospeco Brands Group later that same year. Acute Care Pharmaceuticals, with its Pharma-Choice™ brand, is a leading supplier of compliant, disposable medical products used in compounding pharmacies and other cleanroom environments.

All products are compliant with strict regulatory guidelines as required by USP <797> and USP <800>. Products undergo testing and audits to ensure compliance. This unique dedication to compliance, coupled with its decades-long commitment to partner with hospital pharmacies, makes Acute Care a market leader. The company's various sterile disposable products are mandated for use in cleanroom environments. As such, Acute Care enjoys strong market penetration at hospital compounding pharmacies. Popular products include wipers, sterilizing alcohol, gloves, mop covers, and CAT kits.

As part of the Hospeco Brands Group, Acute Care and Pharma-Choice™ brand are available to a range of customers, including independent (non-hospital) pharmacies, labs, veterinary pharmacies, hospitals, nursing homes, aerospace manufacturing, food processing, medical device manufacturing, and more.

TACKY MATS AND FRAMES

Pharma-Mat[®]

Pharma-Mats[®] are designed to be your first line of defense against contamination. Pharma-Mats[®] can remove up to 99% of foot borne contaminants which are a significant contributor of particles in a cleanroom environment. These tacky mats minimize the amount of contamination that enters a controlled environment by way of shoes, carts and other sources. PTM797 includes a 20" x 38" non-skid portable reusable frame with a 30 layer clear adhesive mat.

Pre-Saturated Wipers for Your Cleanroom

Pharma-Sat Plus™

Pharma-Sat Plus™ wipers are low endotoxin, ISO Class 5, non-woven, 45% polyester / 55% cellulose blended wipers that are available in sterile and non-sterile versions. Our economical, non-shedding, low-particulate, pre-saturated wipers can be used throughout your cleanroom for cleaning, disinfecting, spill control and wipe down of products and leaves no residue. Pharma-Sat Plus™ wipers are pre-saturated with 70% Isopropanol and 30% USP WFI.

Pharma-Sat Canister™

Pharma-Sat Plus™ wipers are low endotoxin, ISO Class 5, non-woven, 45% polyester / 55% cellulose blended wipers that are available in sterile and non-sterile versions. Our economical, non-shedding, low-particulate, pre-saturated wipers can be used throughout your cleanroom for cleaning, disinfecting, spill control and wipe down of products and leaves no residue. Pharma-Sat Plus™ wipers are pre-saturated with 70% Isopropanol and 30% USP WFI.

Find all pre-saturated wipers on pages 8 - 11
