

## CRC Nashville

CRC is the supply line to the front lines of poverty. CRC serves more than 90 nonprofit agencies, providing them with new household goods, bedding, kitchenware, cleaning supplies, clothing and personal hygiene items for their clients in need. Our agencies represent a diverse client base including at-risk children, disadvantaged seniors, victims of domestic violence, refugees resettling in Middle Tennessee, the homeless, those battling addiction, those with mental and physical challenges and other people in desperate need. Founded in 1985, CRC operates a 5,000 square-foot warehouse from which we distribute all of these items.

Period Partner connected with CRC Nashville and donated over 37,200 feminine care products to support their good work.
