Calgary Immigrant Women's Association (CIWA) is a non-profit organization established in 1982 as a registered charity. CIWA is a culturally diverse settlement agency that recognizes, responds to, and focuses on the unique concerns and needs of immigrant and refugee women, girls, and their families. Over the years, we have continually responded to emerging needs of immigrant women and girls, developed innovative programs, established meaningful partnerships, and have come to be recognized as a provincial and national leader in outcome-based gender-specific settlement services.
