RENEWING DIGNITY

Providing women the essentials

Period Partner Reached out to Renewing Dignity and donated over 35,000 tampons and pads to aid in their mission to eliminate period poverty through menstrual product distribution, education and advocacy.

Thank you for your generous donation of 35,200 tampons and pads to Renewing Dignity received on March 10, 2023. Your exceptionally kind gift will provide essential period products to women and girls in Northeast Florida who struggle to afford them. We want to ensure that everyone who menstruates is empowered to manage her menstruation safely, hygienically, with confidence and without shame, where no one is limited by something as natural and normal as her period.

With heartfelt thanks,
Jan Healy, Founder
Renewing Dignity

Cause Supported

March 2023

Renewing dignity distributed some of your donation on 3/15/2023 at Chet's Creek in Jacksonville, FL. We served 126 families that day. We had corporate support from Ally to help with the event (Trey Stephens, India Sullivan and Jessica May pictured here).
