

Buckner International

Period Partner's June/July 2023 donation recipient is Buckner International. Buckner International is dedicated to the transformation and restoration of the lives they serve. Period Partner supports this cause by donating 40,000-period products.

Hi,

Wow! These products are going to bless many females. Thank you so much!

I've included three pics! Buckner is thrilled to be a #PeriodPartner with HOSPECO!!

Our different domestic locations are asking for products as well, so we know there are females right here in Texas who are having to choose between putting food on the table or buying feminine products. We are working hard to provide products to Kenya, Latin America, and now our different locations in Texas.

Again, a major blessing and appreciate the collaboration so much. You have been wonderful to work with.

Blessings,
Christie Gibson
