

I Support the Girls

Period Partner's January/February 2024 donation recipient is I Support the Girls.

I Support the Girls collects donations of new/used bras and new sealed packages of tampons and maxi pads and distributes them to girls and women experiencing homelessness.

No one should have to choose between their next hot meal or a package of maxi pads. And maxi pads should never stand in the way of the next steps in pursuing a better future.

Period Partner has donated over 61,000 menstrual care products in support of their efforts to distribute these necessities to people in need.
