

## Period Patch

Period Partner's November/December 2023 donation recipient is Period Patch.

Period Patch has been working continuously since March 2015 to bring period security to those in Richmond, Virginia, and surrounding counties. We are now providing menstrual hygiene products to more than 25 community partners including shelters, food pantries, schools, medical providers, and counseling services that interface directly with individuals in need across the counties of Henrico, Chesterfield, and Goochland, and the City of Richmond in Virginia.

Our Mission:

Collect in-kind donations of maxipads and tampons, as well as monetary donations to purchase same, and we distribute quarterly to numerous Richmond-metro and surrounding county organizations.

Period Partner has donated over 32,000 menstrual care products in support of their efforts to distribute these necessities to people in need.

Period Patch, Inc. @Periodpatch · Dec 29, 2023

HUGE THANKS to @PeriodPartner @HospecoBrands for this incredible donation ❤️ #periodsecurity #periodpartner
