

Dignity Grows

Dignity Grows empowers our neighbors in need by providing menstrual and hygiene supplies for everybody that needs them.

Dignity Grows began as a one-night initiative aimed at helping individuals in the Greater Hartford community who cannot afford monthly menstrual and hygiene products. The project quickly grew through word of mouth as organizations and agencies in the Hartford area learned about the mission of Dignity Grows. Dignity Totes have been delivered to an increasing number of Distribution Partners and neighbors through a variety of non-profit agencies. We have also delivered Dignity Totes to those who have experienced devastation from hurricanes in the Caribbean.

Period Partner supports their worthy cause by donating over 43,000 period products.

“Dignity Grows is truly blown away by the incredible gift from your organization! We happily and excitedly unpacked the cases last week as we moved into our new storage and inventory space.” **Jessica P. Zachs**, Founder and Chair, Dignity Grows
