

SBM at Eli Lilly, Hospeco and Ferguson Partnership Team

It was a pleasure to get to know the mission of women and children at the Ruth Lilly Center for Hope at the Salvation Army, Indianapolis. They are currently at full capacity with a waiting list of mothers looking for a safe place.

As promised, this email is to confirm our connection and the completion of the donation drop. The following items have been delivered successfully and graciously accepted by all those at the center. During a time with the pandemic and unemployment on the rise, this comes at critical time.

Description: Tampons, Maxi pads, Suave Body Wash, Shampoo, Hand sanitizers, Bath Towels, Children backpacks & school supplies, Provon Ultimate Shampoo & Body Wash, Purell Hand Sanitizer Wipes

Inventory Items Est. Total: 3 skids / 40,320 individual items

Our team was proud to support the women and children of Indianapolis, creating a ripple effect of hope and love. Thank you for being a partner and helping us make an impactful difference in our community!!! Together, we made a difference in the lives shattered by violence.

Positive Customer Impact

“Most women leave homes abruptly and only what they can grab with two hands, leaving them at risk of having the inability to truly care for themselves.” says, Stephanie Pate at the Center. “It is gifts like famine products that aid during the most difficult of times.” With the unique situation of a pandemic, it’s putting a strain on families in our community. SBM Management, Hospeco Brands, and Ferguson Facilities Supply partnership comes at a critical time where women need to focus on rebuilding their lives and not worry where they can get hygiene care.

Salvation Army

The Salvation Army Shelter for Women and Children provides a safe place for homeless and abused women and children in perhaps their greatest time of need. Established as the first facility in Indianapolis to help homeless and abused women and children, we have offered care, assistance, and guidance to women for more than 50 years. The Center is open 24 hours a day, seven days a week.
