

# Femme Aid Collaborative

**Femme Aid Collaborative provides monthly menstrual hygiene products to those in need in our community.**

## OUR MISSION

Femme Aid Collaborative strives to be a centralized collection and funding agency, providing community organizations with a steady supply of menstrual hygiene products for their clients. Working collaboratively with local businesses and other high school students to raise money for product, helping to host drives, and be the collection points within their communities.

Period Partner connected with Femme Aid Collaborative and donated over 30,500 feminine care products in March 2019.
