

## ■ ENVIRO GARDS® ORGANIC MAXI

Every detail has been thoughtfully considered to reduce environmental impact. Each pad features a 100% organic cotton top sheet with a biodegradable and compostable box, wrapper, and back sheet. Pads are chlorine, dioxin, and fragrance free. Cotton is among nature's most absorbent materials, and it is also more breathable than synthetic barriers. Enviro Gards' cotton top sheet helps assure a softer, more comfortable, non-irritating absorptive barrier that also allows the users skin to breathe.

### Key Features
