

# Pennsylvania HB 900

## Access to Period Products in Correctional Facilities

1. All incarcerated individuals and detainees who are menstruating each month shall be provided with menstrual hygiene products at no cost.
2. **Qualifications:** Incarcerated people who menstruate in a prison each month
3. **Timeline:** This act shall take effect in 180 days
4. Signed into law December 14, 2023

The proposed bill mandates that incarcerated individuals have access to menstrual care products without any financial burden. They will be able to select from a minimum of two sizes of tampons.

*“Despite being incarcerated, these women are still our mothers, wives, sisters, and daughters, and it is in everyone’s best interest to ensure we treat them with dignity,”*
