Private Label Opportunities

Hospesco Brands Group offers private label opportunities in a wide range of products to fit your needs. Most companies that offer private label require high minimums and restricted sizes. However, Hospesco Brands Group offers much lower minimums and is always prepared to work with you and help you to achieve your private label goals.

Get your name out in the market place and help build a quality reputation around your name. Create consumer loyalty with products carrying your company name such as: odor control products, non-woven wipers, woven wipers, gloves and toilet seat covers. Not only will you have a higher profit margin by selling your own brand name, you will also be promoting a product that you believe in.

How It Works

Work with your Hospesco Brands Group sales representative and decide on the items you would like to private label. Fill out a private label artwork form with your representative. Have them sent to the Marketing Department and a representative from the marketing team will work with you throughout the design process. Once artwork is complete, proofs will be sent for your approval before going into production.

Commitment By You

Any product and finishing supplies that are printed with your name and logo (product, corrugate, labels) you agree to purchase. A purchase order will be required for the minimum order quantity per item, prior to production. Minimums are subject to a 10% overrun.

Private Label Artwork

Artwork creation services are available for all private label items. If submitting your own artwork, please supply hi-res 300 dpi artwork in one of the following formats: .ai, .eps, .pdf. Low resolution artwork will not be accepted. Marketing will supply dielines for artwork where applicable.
