

OHIO HB 33

Breaking Barriers: Free Menstrual Care Products for Ohio Students!

Required by Law:

1. HB 33 directs the Department of Education and Workforce to provide schools with one-time funds and reimbursements related to feminine hygiene materials:

- a. \$2 million to provide funds to districts and schools to install dispensers; and
- b. \$3 million to reimburse district and school costs to provide feminine hygiene products.

2. DISPENSERS (ORC 265.377)

- a. **Qualifications:** each school district, public school, and chartered nonpublic school enrolling girls in any of the grades 6-12
- b. **Timeline:** The Department is developing an application process to allow period products to be in schools by October.

Empowerment starts with access. A groundbreaking bill has been passed, securing funds to provide FREE menstrual care products to students in Ohio schools. No longer will menstruation hinder a student's ability to fully participate in their education.

Why is this a Game Changer?

Period Positivity: Menstrual care products are a basic necessity, and ensuring their availability promotes a positive and supportive learning environment for all students.

Educational Equity: By eliminating barriers to access, we create equal opportunities for academic success, regardless of gender or economic background.

Focus on Learning: With menstrual care products readily available, students can focus on their studies and personal growth without disruptions.

Sec. 3313.6413. (A) As used in this section:

(1) "Feminine hygiene products" has the same meaning as in section 5739.01 of the Revised Code.

(2) "Other public school" has the same meaning as in section 3301.0711 of the Revised Code.
